Subject: ref to rush seq search for case 09/940,860

Jeff,
I need a rush sequence search on this amended case (09/940,860). I need your approval on this rush sequence search.

1. SEQ ID nos. 1 to 4 (primer sequences having about 20-22 bases)
(Search is requested for oligomer, nucleic acid in all commercial, pending and issued databases).

Thank you
Suryaprabha Chunduru
